

MAKE YOUR BUSINESS MORE EFFECTIVE

STAT!

Want help getting the most out of your business technology investment?

Let SWK Technologies' **Strategic Technology Advisor Team (STAT)** do the work for you!

HOW IT WORKS

01

STAGE 1 BUSINESS DIRECTION GAP ANALYSIS (BDGA)

We reveal your overall productivity by comparing your goals to your current success rates, using financial sheets, employee feedback, and KPIs. At the end of this stage, you use our easy-to-understand report to prioritize your most important improvements.

02

STAGE 2 FOUNDATION DESIGN

We help you understand the expected scope and ROI for the changes you have prioritized for us. During the twelve-month STAT prep program, we also help you conduct process audits and system training, meeting with you for periodic updates.

03

STAGE 3 RECOMMENDATIONS

We present you with clear and detailed Solutions Blueprints — actionable road maps that help you advance your goals. These help you make decisions that have the greatest positive impact on your business for the investment you're willing to make.

OUR PROMISE

STAT WILL ALWAYS:

- Meet your budget • Meet your timeline • Align with your company goals
- Improve your bottom line
