

Simplicity.

Sales Tax is complicated. AvaTax makes it easy.

AvaTax extends the power of your ERP with fully integrated end-to-end sales tax management automation. Cutting edge technologies and superior processing logic help manage even the most complicated tax issues, such as situs, nexus, tax tiers, tax holidays, exemption certificate management and product taxability rules.

AvaTax Calc delivers instantaneous address validation and sales tax calculations on-demand. AvaTax Certs makes it possible to digitally create, store and access exemption certificates at the point of sale. AvaTax Returns closes the loop on your sales tax compliance process by completing and filing all forms and remitting all of your sales tax with one easy payment.

Fast

Deliver real-time sales tax calculations as the transaction is taking place via a secure, encrypted Internet connection without disrupting your existing workflow. Streamline the exemption process with online certificate collection for you and your customer. Process returns on-time, every time with automated filing and remittance.

Easy

Seamless integration with existing business systems eliminates the guesswork. No more time-consuming collection of information for returns completion or tracking jurisdictional requirements for filing. Produce the correct exemption certificates at any time, anywhere. Reduce turnaround time for auditor requests and customer purchasing.

Accurate

Forget having to track rates, rule changes and tax holidays: AvaTax calculates using up-to-date, real-time sales and use tax rates and rules. Ensure accuracy using AvaTax address validation, sourcing rules, product taxability and jurisdiction assignment—accurate down to the rooftop level. Collect valid certificates with the web based walk-through wizard. Reduce your audit risk with AvaTax Returns filing and remittance.

Affordable

Eliminate hardware acquisition and maintenance costs with our cloud-based service model. Simple, out-of-the-box integration reduces implementation and training costs. Subscription-based pricing is scalable to meet the needs of customers of all sizes.
