

# 5 SIGNS

## IT'S TIME TO AUTOMATE YOUR PAYMENTS

### 1. YOUR COSTS ARE RISING.

How much are you spending on postage, expedited delivery, check stock, envelopes, print devices, toners, among other things, to mail paper checks?

### 2. YOU ARE LOSING HOURS IN YOUR DAY.

How long do you spend following up on missing invoices or change order approvals each week?

### 3. YOU ARE FACING A NEW HIRE OR BACKFILL.

Is your business booming, but you don't want to hire another AP staff member?

### 4. YOU FEEL CHAINED TO YOUR DESK.

What happens when there is a payment approval emergency, but you are out of the office? Who will sign and approve the checks?

### 5. YOU ARE STILL WRITING CHECKS FOR EVERYTHING.

Is your only payment method a check?

IF ANY OF THESE STATEMENTS DESCRIBE YOU, THERE IS A BETTER WAY!
