

# Ascentis Payroll

A-la-carte full suite human capital management technology

Reduce processing time by 30% with Ascentis Payroll. Real-time processing with flexibility and control is yours with our powerful payroll solution.

#### Real-Time Processing

Ensure your employees' paychecks are always 100% accurate. Ascentis Payroll provides instant payroll processing and auditing. Run payroll anytime, anywhere, as many times as you need.

#### Safe and Secure

Your employees' information is always secure with Ascentis. All data is encrypted and secured within an infrastructure that includes Network Intrusion Detection Prevention Systems and firewalls.

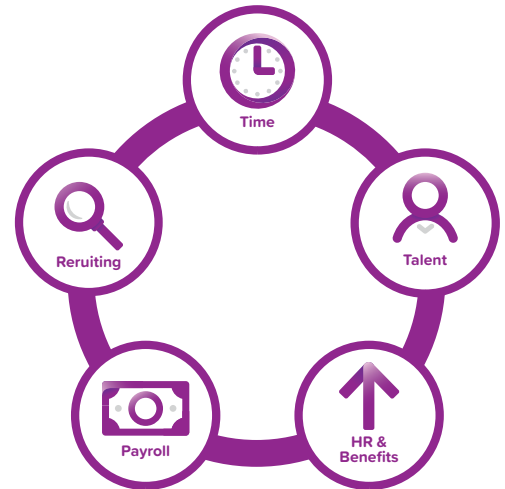

#### Compliance

Never worry about updates to tax code or legal changes that could affect your organization. Our compliance team monitors all changes to ensure updates are delivered on time and accurately to mitigate any risk.

#### Reliability

Consistent uptime means you'll never deliver checks and files late, no matter how tight your timeline. Ascentis will never deliver product updates during peak hours to avoid disrupting your processing.

### A-la-carte Full Suite Software

**Start Anywhere. Add Anytime.** Ascentis' industry-leading a-la-carte full suite human capital management (HCM) technology platform and workforce management solutions are supported by an ongoing commitment to delivering an unsurpassed client experience. Ascentis' technology modules work independently or together to meet the needs of each client, wherever they are in the HCM journey.
