

Pacejet Shipping Software

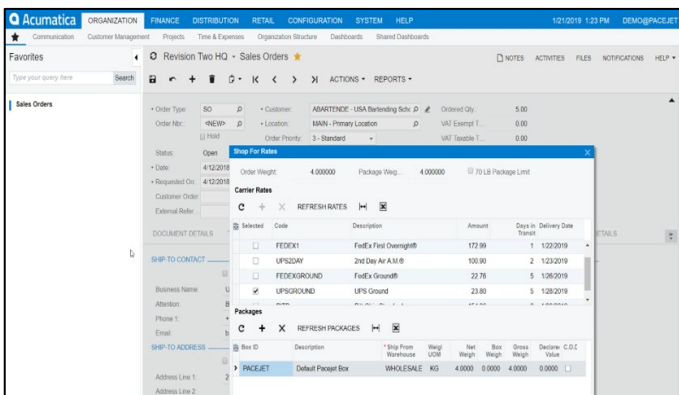

COMPLETE FREIGHT QUOTING AND SHIPPING SOLUTION BUILT FOR ACUMATICA TO EXTENDS AND AUTOMATES YOUR SHIPPING WORKFLOW

Pacejet cloud-based shipping software integrates Acumatica with more freight, parcel, 3PL carriers, and shipping services than any other application, helping Acumatica users manage quotes and shipments with reduced costs and increased efficiency. Pacejet leverages key Acumatica technology for complete quoting, packing, and shipping processes using shipping automation.

The Pacejet difference is a data-driven strategy of adaptive shipping improvements supported by flexible software technology that empowers rapid, agile innovation for fast-growing businesses.

BETTER SHIPPING MATTERS AND WITH PACEJET YOU WILL HAVE ACCESS TO:

- **65+ Carriers Integrations:** Shipping services for parcel, freight, and 3PL in real-time
- **Innovative Carriers:** Integrations with Amazon, UPS iParcel, regional networks, and more
- **Native Integration:** Real-time connections via our RESTful API, embedded in Acumatica
- **Rate Shopping:** Shop carrier quotes to find the best rates, transit times, etc.
- **Rate, Pack, Ship and Track:** Scan or drag-and-drop functionality to fit you specific automation requirements
- **Cloud-Based:** Modern, easy-to-use software that has no installation required
- **Comprehensive Analytics:** Robust reporting on shipments, savings, carriers, and more

KEY BENEFITS

REDUCE SHIPPING LABOR BY 40% TO 50%

Quote, pack and ship with hundreds of services for parcel, freight, and 3PL with one multi-carrier process that's easier and more efficient.

REDUCE SHIPPING COSTS BY 20% TO 30%

More accurately quote and capture actual shipping costs and improve billing accuracy while using more carrier options and rate shopping to reduce shipping fees.

FASTER FULFILLMENT WITH FEWER ERRORS

Embedded Acumatica integration eliminate duplicate data entry and multiple software systems to make shipping faster with fewer errors.

GROW SALES WITH BETTER SERVICE

Offer new types of shipping services and carrier options to grow exports, win new sales, and increase volume with existing customers.

APPLICATION FEATURES AND CAPABILITIES

Native Integration with Acumatica

Installs easily into your Acumatica configuration and uses native integration and extensions to provide enhanced multi-carrier shipping.

Real-Time Connections

Pacejet connects to carriers, business systems, and Acumatica in real-time to give you the fastest shipping integration possible.

Rate Shop Carriers

Connect to hundreds of carrier services for parcel, freight, 3PLs, and shop through the best rates, transit times, and more.

Better Packing Capabilities

Extend Acumatica fulfillment with enhanced packing options to record packages, items in packages, dimensions, and container contents.

Automatic Paperwork and Labels

Pacejet includes expanded paperwork and labels that reduce errors and speed up fulfillment. (Bill of Lading, international paperwork, packing slips, commercial Invoices, and more)

Captures Data to ERP

Information syncs back to your Acumatica ERP to update records.

Reports Carrier Data to ERP

Pacejet automatically captures shipping prices, costs, tracking links/numbers, and other carrier data for better tracking and customer notification that can limit customer service calls.

Easy Configuration and Setup

Easily configure the Acumatica multi-carrier add-on to manage key Pacejet configuration settings and controls.

THE ACUMATICA ERP DIFFERENCE

Acumatica delivers a full suite of integrated business management applications unlike any other ERP solution on the market today.

STREAMLINE OPERATIONS

Manage your business more efficiently:

- Automate processes
- Control workflows
- Access the system from anywhere on any device—including mobile
- Promote collaboration with all-inclusive user licensing

ADAPTABLE SOLUTION

Add and extend:

- Deploy in-house or in a private or public cloud
- Easily configure your solution to fit your needs
- Add capabilities such as CRM or data visualization at any time
- Extend to other solutions and applications beyond ERP

YOUR BUSINESS ACCELERATED

Get a single version of the truth:

- Accelerate business performance and make smarter decisions with automated processes, real-time data collection, financial analyses, and forecasting
- No per user pricing – system scales as your business grows

EXPLORE BETTER SHIPPING WITH PACEJET'S BUILT-FOR-ACUMATICA INTEGRATION AND GET THE RIGHT SHIPMENTS TO THE RIGHT PLACES MORE QUICKLY, EASILY, AND COST-EFFECTIVELY THAN EVER BEFORE.
