Manually processing vendor payments with inefficient paper-based workflows is both time-consuming and painful for AP teams.

But streamlining the payment and invoice processes in a way that integrates with existing business tools and processes can provide significant relief. That's why we've built a seamless integration between our vendor payment and AP automation solution and Acumatica ERPs.

The Solution

AvidXchange, a leading provider of AP and payment automation solutions for the mid-market, streamlines bill payments through approval workflows, electronic payments, and seamless integration with Acumatica. Users of Acumatica can access multiple payment methods to earn incentives on eligible e-payments. Eliminate paper processes and associated time and costs, transitioning to a more efficient payment automation experience with AvidXchange in less than 45 days.
